As part of our security measures, we regularly screen activity in the bank systems. We recently noticed the following issue on your account:  
We would like to ensure that your account was not accessed by an unauthorized third party.  
Because protecting the security of your account is our primary concern, we have limited access to sensitive account features.  
We understand that this may be an inconvenience but please understand that this temporary limitation is for your protection.  
For your protection, we have limited access to your account until additional security measures can be completed.  
We apologize for any inconvenience this may cause.  
To review your account and some or all of information that Corporate Netbank used to make its decision to limit your account access, please visit the link below:
